DESIGNER, FOUNDER, AND PRODUCER

Dr. Lacie Cupani, MS, MD, PhD, is CEO and Designer with Cupani Fashion (USA and worldwide); Editor in Chief of Amazing Fashion Magazine (S. Francisco, CA); Founder and Producer CMG Worldwide Fashion Weeks, namely CMG Asia Fashion Week, CMG Dubai Fashion Week, CMG Los Angeles Fashion Week, CMG New York City Fashion Week, and CMG Paris Fashion Week. Lacie is also a Celebrity and Talent Promoter, and an ardent supporter of the Orlovski Orphanage.

Cupani Fashion won Little Rock Fashion Week Line of the Year 2014.

Cupani designed an exclusive garment for Mrs. Susan Hutchinson, Spouse of the Governor Asa Hutchinson, for the Governor's Inauguration (January 11, 2015). Cupani Fashion has demonstrated her latest collections nation and worldwide. Cupani Fashion was also the applicant of the Project Runway (2015-16).

Dr. Cupani is a Panel Member for the FDC Young Designer Awards Competition in London, UK (2015) and the Prestigious Judge for Miss Arkansas for America Strong and Mrs. Arkansas America (2021). In 2015, Lacie engaged CMG Travel Awards to promote the Most Outstanding Models, Designers, Makeup Artists,

Photographers, and Entertainers. Lacie is Founder of IQEdu-Scientific USA. IQEdu-Scientific USA is promoting educational and exchange programs in math, reading, health careers, science, and fashion in the U.S. and worldwide. Dr. Cupani gave lectures on education, research and how to pursue education and research in the U.S.

Dr. Cupani has earned an M.D. and a Ph.D. from the Kyrgyz State Medical Academy, and a M.S. from the prestigious University of Tokyo, Japan. Dr. Cupani was doing research and taught at the Kyrgyz State Medical Academy (Kyrgyzstan), at the University of Tokyo (Japan), at the Polytechnic NYU, at the UALR, and at the ATU (USA).

Dr. Cupani published over 70 research articles in leading scientific journals, and the results of her scientific investigations made their way into federal and state grants, as well as patents, including Kyrgyz and US patents (US 20040161861 A1 and 8,383,084 [2013]).
